Press Release regarding the Human Rights Day on December 10, 2011

May the peace of God be with you. As you might be knowing already, the Earth is under the reign of God for the last six years as prophesied in **Zechariah 14:5** and **Revelation 22:5**. On October 21, 2011, we celebrated the 7th Independence Day of the Earth. Now it is time to remember December 10, 1948, the day on which the United Nations General Assembly adopted the Universal Declaration of Human Rights (UDHR), which we observe as the Human Rights Day (December 10) every year. Please remember the other two incidences happened in 1948, with the Declaration of Establishment of State of Israel on May 14, 1948, when God reconstituted the country of Israel, a country which have no written constitution, realizing the promises God gave to the human kind and to His people and the publication of the book "Cybernetics: or Control and Communication in the Animal and the Machine", written by Norbert Wiener. So when we were under animal kingship as prophesied in the Bible in Revelation 17:17-18, when we were not in Heaven, but under the Sun (Statue of Liberty), after expelling from the Garden of Eden (Genesis 3:1-19), Jesus Christ was taking the cross and leading us towards the lost heaven. So I exhort everybody to use six legged stars to remember the Star of David hexagram, as appeared in the sky on 6th January 2010, as NASA reported as P/2010 A2 on the forthcoming Christmas day, which is the birthday of Statue of Liberty (Sun God Apollo) before entering in to the new year A.C.12, which is the realization of Daniel 12th chapter, as Jesus Christ told, when we use seven legged stars next year onwards, when we achieve the seven pillars of knowledge, on which the world is constructed as described in Proverbs 9:1, with seven characters inscribed in M A K U D A M. I also ask to add a Universal Declaration of Protocols (UDP) as part of UDHR, bringing a well disciplined Universe, providing rapture and peace, which controls both worlds, where the hierarchy of protocol is God, Lord God, Lords, Kings, Blessed persons, Persons having faith in God and Elder persons respectively from top to bottom, solving all ego conflicts in both worlds. On this occasion I exhort everybody to observe the Human Rights Day on December 10, 2011 and understand the value and sufferings that we paid for getting such a Universal Declaration of Human Rights with a Covenant Blood described in Psalms chapter 2, in the Bible, where Human Rights are inscribed in the hearts of people. Do pray for all the people, leaders, kings, medias, establishments, angels and His saints who are working hard and worked hard behind it to achieve it, in one mind and in a single spirit with God. Please understand that all end time Bible prophecies are realized now, by the blessing of God, being God declared end from the beginning as prophesied in the Bible in Isaiah 46:9-13 with a Covenant Blood, where each individual have to select their way of life, where God is dividing the light from the darkness, as told by Jesus Christ in Matthew 25:31-46, as a shepherd divides his sheep from the goats, when we enter in to a new sky and earth as described in Revelation 21st chapter, leaving the old world as envisaged in the painting on the Rotunda of the US Capitol by Robert Weirs in 1843, Embarkation of the Pilgrims, when we can hear the voice of the Son of Man with the appearance of the likeness of the glory of God, appearing as a rainbow in the clouds on a rainy day as described in Ezekiel 1:28 and Revelation 3:11-13, delivering the third part of the Bible "God with US" on the sail of the ship as we see in the film 2012.

With love and regards,

His Holiness & His Majesty
Prof. (Dr) **Reji M. Issac** Kn. D.
